### A la Carte Options

- Provide a Grocery Delivery to Four Homebound Individuals** **\$300**  
This is the cost to provide enough groceries to prepare 30 meals for four homebound seniors or individuals with disabilities through MVFB's Mobile Pantry program. Includes recognition on social media and in 300 Mobile Pantry bags for one month.
- Stock a Mill Market Food Pantry for a Month** **\$500**  
Covers the cost of purchasing nutritious staples to restock an in-school food pantry, ensuring that students can eat well when not at school. Includes recognition on social media and on one pantry cabinet for a month during the school year.
- Fill 125 Bags of Food for Students** **\$1,000**  
Covers the cost of the food included in take-home bags for 125 elementary students in MVFB's Operation Nourish program. Includes recognition on social media and in bags sent home with 1,000+ students for one week's delivery.
- Offer Free Farmer's Markets at Five Low-Income Housing Properties** **\$2,000**  
This amount covers purchases of produce and other staples for five of our Community Market locations for one monthly market. Includes recognition on social media and at all Community Market distributions (9 locations, once monthly from June-November).
