# IMPACT REPORT

July 1, 2023 - June 30, 2024

Dear Friends,

This past year for the food bank was anything but the same old, same old! It has been a year filled with excitement, as well as some challenges and concerns.

Most exciting for us, we have a new home. We are filled with gratitude as we reflect on the incredible journey that led us to this new chapter. Moving into a beautiful new space is a dream come true. Every step of the way, we've been supported by so many wonderful people, and we want to express our heartfelt thanks to everyone who believed in us, helped make this possible, and continues to be a part of our story. This is more than just a building – it's a symbol of hard work, perseverance, and the love and support of those around us. We're truly thankful for this new beginning and the opportunity to better serve our community and fulfill our mission.

The year also brought challenges. The number of people requiring emergency food assistance continues to rise. Families are struggling to buy food, as well as to pay for housing, childcare, health care and other basic needs. This leads families to have to make difficult choices about what to prioritize and what to give up. The pantries, meals programs, schools, and shelters that we serve have been seeing this reflected in the long lines at their doors, and we continue our efforts to provide more food and resources to our partner agencies.

These challenges require an organized community effort, innovative solutions, and commitment from government, nonprofits, businesses, and individuals, as we all work together to provide assistance, resources, and basic human needs with kindness, compassion, and empathy.

Looking ahead, we remain committed to our mission and continue to push forward in our new chapter with renewed energy and purpose. We are excited about the opportunities that lie ahead, and with your continued support, we will achieve even greater things together.

# OUR PROGRAMS

## FOOD DISTRIBUTION

MVFB's Food Distribution program collects, safely stores, and distributes food from the USDA, Massachusetts Emergency Food Assistance Program, food company and individual donations. Food is distributed to a network of more than 100 member agencies, such as food pantries, meals programs, shelters, and schools, bringing food to people right in the neighborhoods where they live, work, learn, and play.

## MOBILE PANTRY

The Mobile Pantry makes personalized monthly grocery deliveries to homebound seniors and individuals with disabilities in Greater Lowell, tailored to their dietary needs and food preferences. This program served over 300 individuals a month and also provided bags of food for 200 people at the Lowell Senior Center. Altogether, more than 84,840 meals were distributed.

## OPERATION NOURISH

Operation Nourish provides food for students to enjoy on weekends and vacations when they are not getting school breakfast and lunch. Through a combination of take-home bags and in-school food pantries, the program serves students in more than 30 schools.

# OUR PROGRAMS

## SUMMER LUNCH

During the summer, MVFB partners with the USDA to provide healthy lunches and snacks to children and teens participating in summer activities in Lowell. In Summer 2023, the MVFB team prepared and distributed 8,947 lunches and snacks during July and August.

## COMMUNITY MARKET

MVFB's Community Market is a free farmer's market that occurs monthly from June to November at six low-income and senior housing properties in Greater Lowell. The FY24 markets distributed food to an average of 248 people a month, providing 17,286 pounds of nutritious food during the market season. Attendees also received a supermarket gift card in November to help with the cost of holiday meals.

## FOOD RESCUE

MVFB's Food Rescue program picks up fresh food from grocery stores. These are items that might be overstocked, nearing their expiration dates, or considered "ugly" produce, but are still good to consume. Items include fresh produce, deli and bakery items, and prepared salads and sandwiches. In FY24 this program diverted more than 97,000 pounds of food from the landfill.

“  
You're never going to realize  
that the money isn't there.  
I'm donating at a level I can  
afford, and it doesn't impact  
my bills or the way that I live.  
But I know that it greatly  
impacts other people.
