Annual *Impact* Report

Dear Supporters,

Last year the Merrimack Valley Food Bank celebrated 30 years of serving our neighbors and fed people in over 30 communities. We were able to do this with support from faith based, academic, and corporate partners, individuals, foundations, and YOU.

We like to use this analogy when talking about our impact: the food bank is a bank, and food is our currency: shelf stable food, refrigerated items like dairy, eggs, and produce, frozen protein and vegetables, and prepared foods are accessed by food pantries, shelters, meal programs, senior centers and schools. Those partner sites are like ATMs where individuals and families withdraw the food.

The nearly 5 million pounds of food we gave to our neighbors in FY2021 came from many sources:

MEFAP – the Massachusetts Emergency Food Assistance Program - provides nutritious food through all four Massachusetts food banks, to guests served at over 1,000 pantries across the Commonwealth. This includes shelf stable, refrigerated and frozen products. Over half of the MEFAP vendors are based in MA, along with the 30 farmers from whom we purchase this food.

We also receive food through a contract with the USDA - nutritious food by the case, which we pass along to our members. In addition, food companies donate overages and incorrect orders, supermarkets donate produce, commercial and fresh baked items, prepared food and deli items that they need to move off the shelves to make room for new stock. Additionally, via food drives and individual donations, our corporate, academic, faith based and community partners donate shelf stable food, pet food, and even produce from their gardens.

Our member agencies play an essential role in helping us get food to people who need it. Our members and other community partners provide not only food, but rental assistance, fuel assistance, health care and referrals, as well as a sympathetic ear and reassurance that help is available.

Like YOU, we believe that everyone deserves access to nutritious food – that is our commitment at the food bank and our partner agencies. Thank you for your generous support!

HOW WE FIGHT HUNGER:

OUR PROGRAMS

FOOD DISTRIBUTION

Food Distribution is MVFB's primary program and provides nutritious fresh and shelf-stable food to over 100 member agency partners including food pantries, meal programs, shelters, and schools. MVFB's partners are located in 30 communities, allowing people to access food right where they live and work.

MOBILE PANTRY

The Mobile Pantry is a home delivery program for homebound seniors and individuals with disabilities, providing personalized monthly food deliveries from a friendly volunteer. This year the program also provided deliveries to people who were quarantined due to positive COVID tests. An average of over 300 people received food monthly.

OPERATION NOURISH

Operation Nourish provides nutritious food for students to enjoy when they are not receiving school meals - on weekends or vacations. We offer a combination of take-home bags, grab & go boxes, and in-school food pantries. The program continued operating on a smaller scale during the 2020-2021 school year due to COVID restrictions.

HOW WE FIGHT HUNGER:

OUR PROGRAMS

FOOD RESCUE

Food Rescue collects perishable and prepared foods from three local supermarkets to distribute to our partners. The food may be "ugly" produce or overstocked items, but all items are fresh and safe to eat! They include produce, baked goods, sandwiches, and more. This year the program kept 49,665 pounds of food out of landfills.

COMMUNITY MARKET

The Community Market is a seasonal free farmer's market offered at four Lowell Housing Authority properties. The location eliminates barriers to access. This year's market served 190 households per month and distributed more than 17,500 pounds of food during a market season shortened by COVID.

SUMMER LUNCH

The Summer Lunch program partners with the USDA during July and August to provide lunches and snacks to youth participating in summer activities in Lowell. Participation was lower during Summer 2020 due to COVID, but the program still served 2,510 meals.

HELP US FIGHT HUNGER IN 2022!

While we hope the height of the pandemic is behind us, the need for emergency food and the number of people we are serving have not decreased significantly, and remain much higher than they were before the crisis began. As our neighbors recover both physically and financially from the effects of Covid-19, we anticipate the increased need for emergency food to continue indefinitely. There are a number of ways you can help us make sure nobody in our community has to go to bed hungry:

Make a recurring monthly gift in our [Stock the Shelves Club](#) to help ensure healthy food is available year-round.

Join us for a Big Night Out at Lenzi's on June 9, 2022! [Tickets and sponsorship opportunities](#) are available.

Donate food or host a food drive! To get started with a physical or virtual drive, check out the information on [our website](#).

Sponsor or participate in MVFB's Golf Tournament on 9/12/22.

Every \$1 donated provides 3 meals! You can donate securely on our [website](#).

Consider making a gift to MVFB in your estate planning.

Volunteer to make home deliveries, fill bags of food, help with neighborhood food drives, and more! Start with our [volunteer application](#).

Follow MVFB on social media and help us spread the word about the fight against hunger and the many other ways you can be involved!

THANK YOU TO OUR DONORS!
